Seminar Listing

The seminars listed on this page are presented by the Public Service Commission of West Virginia for the educational benefit of water and sewer utilities in West Virginia at no cost to the utility. The information presented is to help utility personnel, board members, and mayors have a better understanding of the PSC rules and regulations and the WV Code.

To register for a class you must first create an account. A unique email address is required for each account:

[Water or Sewer Regulated Utilities](#)

[Others \(ie. CPA, Engineer, Governmental Agency\).](#)

If you already have an account, [log in](#). Once logged in you can register, cancel or be put on a wait list for a particular class.

[Driving directions and a list of nearby hotels and restaurants.](#)
